Highlighting

- ► Highlight text with the `\stabilo{`*`text`*`}` command
  - ∗ Can also highlight with a custom color too using `\stabilo[`*`color`*`]{`*`text`*`}`

- ► Or highlight text using the pencil-like `\lapis{`*`text`*`}` command
  - ∗ Can also highlight with a custom color too using `\stabilo[`*`color`*`]{`*`text`*`}`

- ► You have more control using Tikz directly, for example
  - ∗ Highlight text with a thinner pencil

Notes

These are some speaking notes
